MISSING PATIENT INFORMATION

We, at Elite Radiology of Georgia, LLC, are very aware of how challenging it can be to handle your medical and financial concerns following an accident or injury. Therefore, our staff has been expertly trained to make certain that you receive the best care in both areas, so feel please free to ask any questions you may have at anytime.

It is important to note that in order for us to comply with Georgia State Law and prevent you from potentially becoming wholly responsible for charges incurred we must have your appropriate insurance information, Policy #, Claim # and or Attorney information on file within 7 days of your visit to our facility. Otherwise, your Insurance Company may have the right to deny coverage due to untimely filing. Therefore the bill would be your complete responsibility.

Please call our business office at 888-234-5575 to provide us with any information we may be missing.

Thank you for your cooperation in this matter.
